12:00-13:00	FRBRoo Tutorial for newcomers and as overview to discuss the achieved work. Martin Doerr
13:00-14:00	Lunch break
14:00-18:00	Discussion on how to model performing arts, starting with a proposal from Patrick Le Boeuf about equivalence of performing arts to FRBR concepts [ <a href="#">ppt file</a> ]. Key questions: Are performances events or "Expressions" (Persistent Items)? Should we regard "Expression" always as events and regard FRBR's Expression as "Expression traces or results"? Is the event as such documentation relevant or the "plan"? Which stages of added intellectual contribution are relevant from the theatre play to the video recording? Breaks as convenient.
