

Dear all,

the next SIG meeting will take place in Cologne from January 15-18 (Monday to Thursday). The exact location is at the Humanwissenschaftliche campus of the University of Cologne: <https://lageplan.uni-koeln.de/#!221>

Due to other (less important) events in Cologne the same week there may be a shortage of hotel beds. Thus I would suggest that you:

- consider booking early rather than later
- consider nearby cities — this area has a larger population density than the Netherlands so the commute between cities takes less time than one often can experience within larger cities.

For example, in Bonn there are several hotels close to the stations Bad Godesberg Bahnhof and Bonn Hauptbahnhof.

IntercityHotel Bonn is relatively new and has good reviews. It is next to Hauptbahnhof (which means you are sleeping next to the station).

Another good option is Günnewig Hotel Bristol Bonn by Centro, close to Hauptbahnhof.

Günnewig Hotel Residence by Centro, 2 minutes walk to Hauptbahnhof.

Even Düsseldorf is less than an hour away by public transport.

Thanks to Zoe Schubert (cc here) for digging up information, if you have any question please get in touch with her and/or me.

We are looking forward to meeting you in Cologne!

Regards,

Øyvind
