What's New?

Interested participants please contact [Lene Rold](#).

How to find the meeting Place:

The meetings will take place at The National Museum of Denmark. The meeting room is situated in the office space of the Documentation Group. Information on how to find the meeting room may be obtained by asking the personnel at the reception desk in the main lobby of The National Museum.

This web page has a lot of practical information about Copenhagen: <http://www.mtcs.dk/>
The National Museum is situated in the centre of Copenhagen and it is easy to find a hotel within walking distance

Why is the upcoming meeting in Copenhagen so important?

The main goal of the meeting is to decide on the last contents amendments, as proposed in the last meeting. Further decisions on the complete set of scope notes have to be taken, particularly those elaborated in the last meeting. Then the focus of the group will shift to address priority issues of presentation, dissemination, training and application and attracting more members.

This meeting will cover the following issues:

1. Introduction to the CIDOC CRM for new-comers,
2. Introduction to RDF/RDFS to demonstrate an important possible application of the CIDOC CRM.
3. Amendments:
Decision on issues:
3,7,14,36,44,52,56,61,62,67,69,70,76,77,78,79,80,82,83,84,85,86,88,89,91,92,93,94,95,96. Decision on issue 21, if proposals will exist, else making proposals.
4. Validating Applications:
Discussion on prototypical scenarios of use, what should be the validating applications, which kinds of supporting documents are needed. Progress on issues nr. [19,39](#),
5. Editorial Decision on the complete property scope notes, issue [43](#), and issues nr. [58,72,81,87,90](#); progress report on issues [16,50](#) - if proposals exist, decision, else making proposals.
6. Extended documentation:
Dealing with presentation, good practice, FAQ and interpretation issues. Decision on issue [46,57](#). Progress report on issues nr. [22,23,28,51,54,55,59,60,65](#)
7. Whole SIG: decision on issue 18
8. Presentation of the new Web-site, decision on its final lay-out, decision on how to organize a team for supporting the web-site maintenance.

In order to have an effective discussion, we prefer to have new issues that are raised during this meeting to be discussed in the next meeting. In order to avoid such a delay, please do not hesitate to submit your issues before this meeting.
